**Mahalo nui to our performers , volunteers, and our guests
for supporting our Restoration Fund!
No Na Hanauna Nei - For The Generations**

The Wānanalua Building Restoration Fund Needs Your Support!

Our Sanctuary was constructed beginning in 1842 from local stone, timber, and coral. Our beautiful church is one of only two surviving 19th century structures in Hāna. In 2023 we completed a condition analysis and we are in the design, development, and permitting phase of a major restoration project. We have urgent needs to address such as the windows, roof, floor, and steeple.

Your donation helps preserve this icon of our cultural heritage and helps us restore the church to its former beauty and structural integrity.

To donate securely online, please use the QR code above or indicate "Restoration Fund" on your check, payable to Wānanalua Congregational Church.

Mahalo Nui to Our Generous Donors
